The image displays two screenshots of a web form, likely for user registration, comparing browser behavior. The form includes fields for City, State, and Country. In the top screenshot (Firefox), the Country dropdown shows 'Bangladesh' with a small flag icon to its left. A red arrow points to this icon, and a red box contains the text 'Country icon is available for firefox'. In the bottom screenshot (Chrome, Microsoft Edge), the Country dropdown shows 'BD Bangladesh' without the flag icon. A red arrow points to the text 'BD', and a red box contains the text 'Country icon is not showing for Chrome, Microsoft Edge'.
